Low Profile Towing & Full-Size Livability

Full Size Livability

240TD

TowLite has a spacious interior with solid walls and ceilings. It has complete living quarters with galley and dinette and sleeps up to six adults comfortably. The openness and coziness of its well planned interior gives you a good feeling just to be inside. It has plenty of built in storage (with upper and lower cabinets) and also features an outside kitchen.

260TFB

Plenty of space

for family and friends. The 26' model features a full-size walk around bed shown left and the 24' model shown right features a large lounging area and two dinette areas that convert into a king size and a double bed.

240TD

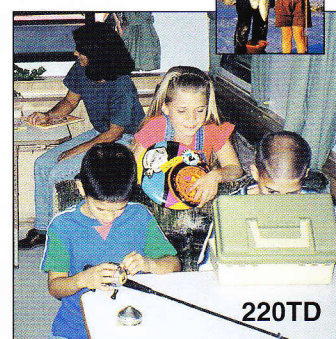

220TD

Spacious bath features a large shower area with built-in lavatory. You'll love it...just like home.

220TL

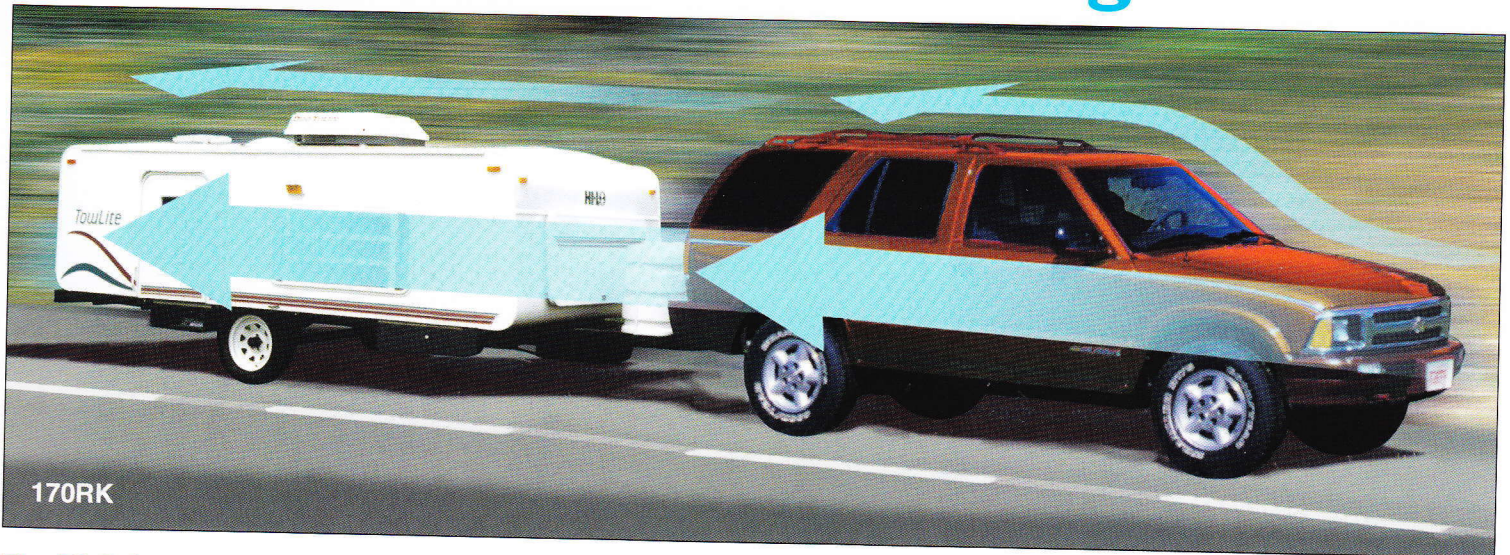

Upper and lower sleeping area. Kids love sleeping...and playing in the optional overhead bed. TowLite's swing-a-way bed is amazingly easy to position from its ceiling storage.

220TD

A place for kids to do their important things and a place for Mom and Dad to relax.

Low Profile Towing

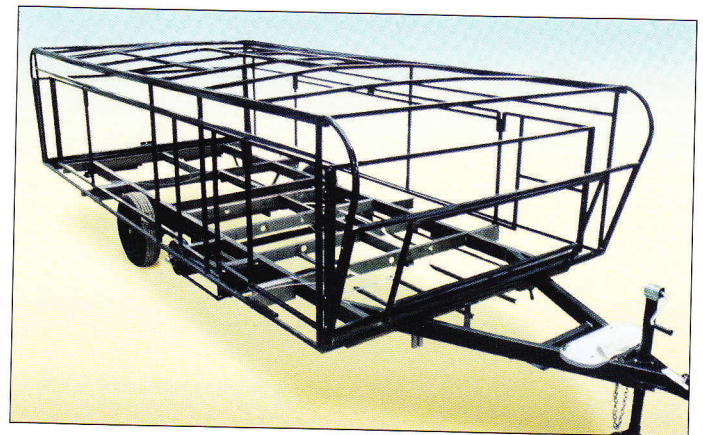

170RK

TowLite's low travel profile gives greater stability at all speeds by reducing sway and buffeting caused by large vehicles and cross winds. The low center of gravity and aerodynamic efficiency and rubber suspension means TowLite is the safest and easiest trailer to tow. TowLite gives you extra economy, (up to 77% savings in your gas bills). Fuel efficiency, aerodynamics, light weight, towability, safety and comfort all add up to more fun filled adventure for your family.

190TD

Push a button is all you have to do. TowLite raises or lowers automatically in seconds to give you every possible comfort and livability feature. The dependable lift system has a powerful 12V. hydraulic pump and a heavy duty hydraulic cylinder...and has a lifetime limited warranty.

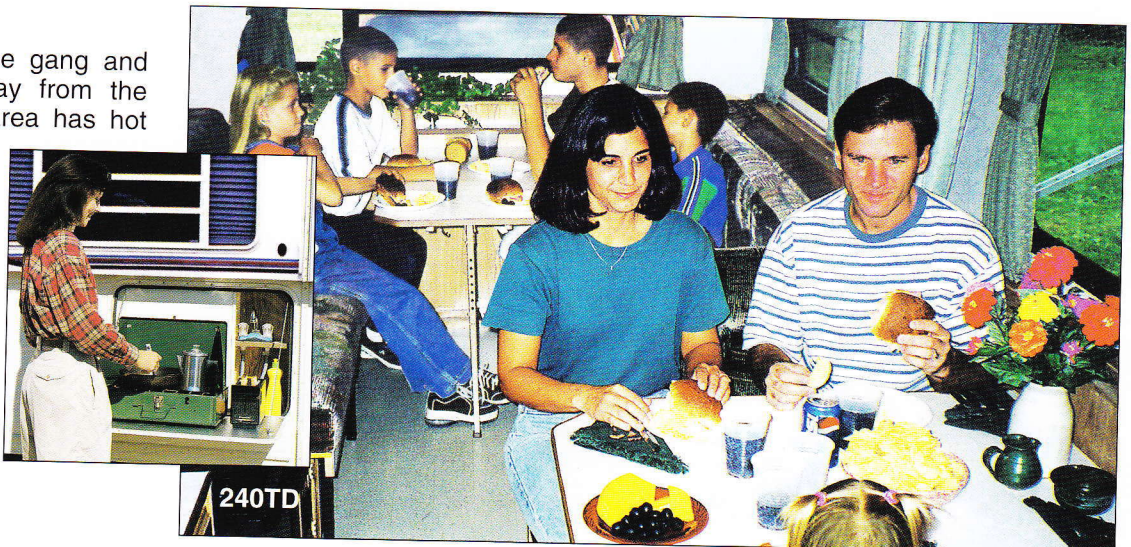

Durability and protection are evident with laminated construction of tubular steel, interior paneling, EPS insulation, plywood and fiberglass exterior skin.

Unique Outside Kitchen

Cook outside and be with the gang and keep the cooking odors away from the inside. This outside kitchen area has hot and cold water faucets, 110V convenience outlet, and a space for cooking, washing dishes, television, or whatever.

Plenty of space inside too, with two large dining areas and our 19' model has sleeping for up to 8 people.
