HI-LO TowLite 17T

The well planned interior with a lounge and dinette that converts into a huge king size bed at night, makes this trailer an excellent value.

The Sporty 17' TowLite retains the roomy KING SIZE BED and offers a dinette as well. The light weight, easy towing and small storage requirements of this model make it the ideal choice for small families with a limited budget and limited vacation time. It comfortably sleeps a family of four and still offers the storage and convenience of a fully self contained unit. The new interior colors make the 17T an eye catching weekend resort at a price the young family can afford.

Model 17T

22T

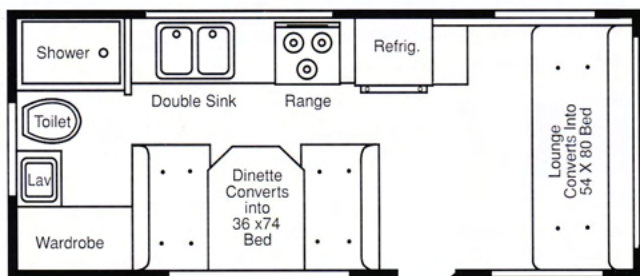

HI-LO TowLite 22T

Optional 22TB shown above with queen size bed.

Inside your 22T you'll find two separate sleeping areas and a third bed option. The dinette table for four easily converts into a double bed to sleep two adults comfortably. It incorporates a full size bathroom with a separate toilet and shower as well as a wardrobe and lavatory sink. Under each dinette seat you will find handy storage compartments that you can use to store bedding or other large essentials. There are also many other storage areas such as under the couch and in the overhead cabinets and wardrobe closet.

Modern styling and a beautiful interior make the 22T a smart choice for the growing family. Why not test tow a Hi-Lo at your dealer today?

24T

Interior room is dramatically improved in the 24T thanks to the exclusive ExpandA-Room which opens easily to provide you more living space for longer, more comfortable stays. The 24T is the smallest Hi-Lo to utilize the tip-out concept to add room without the complications and vulnerability of a mechanical slide-out room. With the push of a button the ExpandA-Room flips out to reveal a comfortable couch, which converts into a generous double bed.

Model 24T			
Length	24' 3"	UVW	4009 lbs
Width	94" **	GVWR	6000 lbs

WHY BUY HI-LO

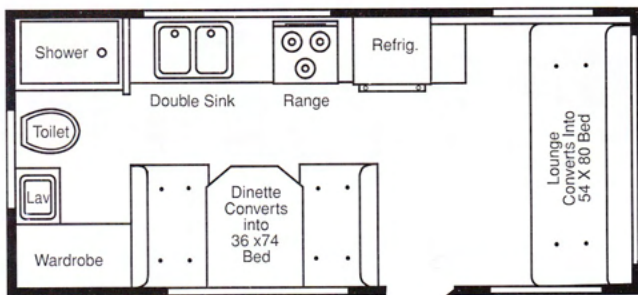

Hi-Lo Trailer Co. is proud to introduce its all new and vastly improved line of telescoping travel trailers for the 2007 season. Hi-Lo revolutionized the travel trailer industry over 50 years ago by offering a trailer that stores compactly, tows more safely and yet offers four season camping with all of the comfort and convenience expected from an upright trailer. Our goal is to provide you with a trailer that tows safely, saves fuel, lives comfortably and lasts for many years. Our factory is located in Bellville, Ohio in the heart of Amish country. We take great pride in quality, craftsmanship and attention to detail. We invite you to to order our free DVD that demonstrates how our trailers are built, and the benefits of towing a low profile trailer. You will be glad you learned more about the best towing trailer on the planet... Hi-Lo. Thank you for your interest in Hi-Lo Trailers: the safest most fuel efficient trailer on the road. We are glad that you are considering our product and are confident that we offer something to fulfill your needs. Now we invite you to spend some time in each of the eight models we offer this year, by visiting our web page, your nearest dealer or calling the factory for current information.

23C

HI-LO *Classic* 23C

With a wide body interior, the 23C offers more room for additional storage, and more walking space. Refinements like solid wood raised panel cabinet doors, a larger refrigerator, and more head-room, make the Classic a true luxury trailer.

Model 23C			
Length	23' 6"	UVW	4023 lbs
Width	100" **	GVWR	6000 lbs
Height	73" **	Axles	2
Tires	4-15"	Sleeps	4-6
Holding Tanks	Fresh 30 Gal	Gray 32 Gal	Black 30 Gal

*Not including spare tire **Does not include projections or optional items.

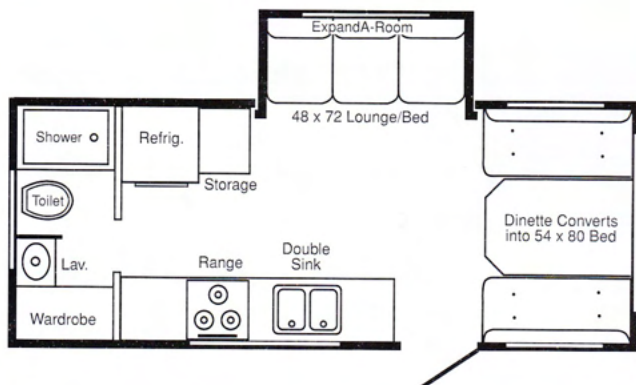

The ever popular 23' Classic offers a compact towing package, with ample room for short to medium length trips.

25C

The remarkably large kitchen and generous sleeping areas make the 25C an excellent choice for longer stays. With the ExpandA-Room deployed there is room for several people to move around without the hassle of a narrow floor plan.

Model 25C			
Length	25' *	UVW	4717 lbs
Width	100" **	GVWR	6300 lbs
Height	79" **	Axles	2
Tires	4-15"	Sleeps	4-6
Holding Tanks	Fresh 30 Gal	Gray 32 Gal	Black 30 Gal

*Not including spare tire **Does not include projections or optional items.

The 25C blends the spacious family-oriented floor plan of the 24T with the luxurious Classic compliments and styling.

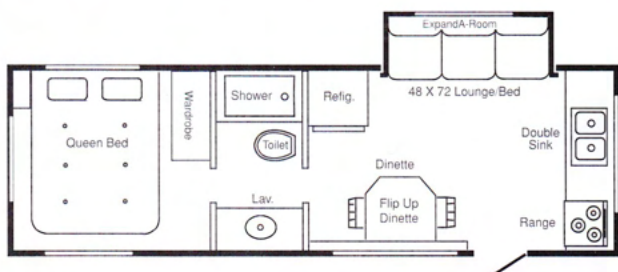

28C

HI-LO Classic 28C

The luxurious interior layout of the 28C has an airy, more spacious atmosphere that gives you that "good feeling" from the moment you step inside. With space at a premium, you'll come to love the ExpandA-Room which easily deploys in seconds to give you the feel of a much larger trailer without added towing stress. The 28C Classic is designed with extended camping in mind. You'll love the wide kitchen with open space for freedom of movement.

The 28C also features a flip-up dinette table with two chairs.

Model 28C

Length	28' 11"	UVW	5320 lbs
Width	100"*	GVWR	7000 lbs
Height	79"*	Axles	2
Tires	15"	Sleeps	4
Holding Tanks	Fresh 30 Gal	Gray 32 Gal	Black 32 Gal

*Not including spare tire **Does not include projections or optional items.

The 28C has the aerodynamic fiberglass end caps with a wrap around windshield for a fantastic panoramic view.

Some models can be stored in the garage, which saves storage fees and allows you to comply with zoning laws. A detachable tongue is available on certain models.

Cook outside and be with the gang. This outside kitchen has a 110V outlet, offering space for cooking, a coffee pot, or watching television.

The 24T and 25C models features an eight foot long kitchen with a microwave and a LP gas oven option.

Live In Comfort and Style

Up For Living or Down For Travel, Hi-Lo Is Simply The Best

Expand Up and Out

ExpandA-Room opens up the living space giving the feel of a much larger trailer.

All you have to do is push a button to raise or lower your Hi-Lo trailer. The lifetime guaranteed hydraulic system has proven itself in thousands of trailers for many years.

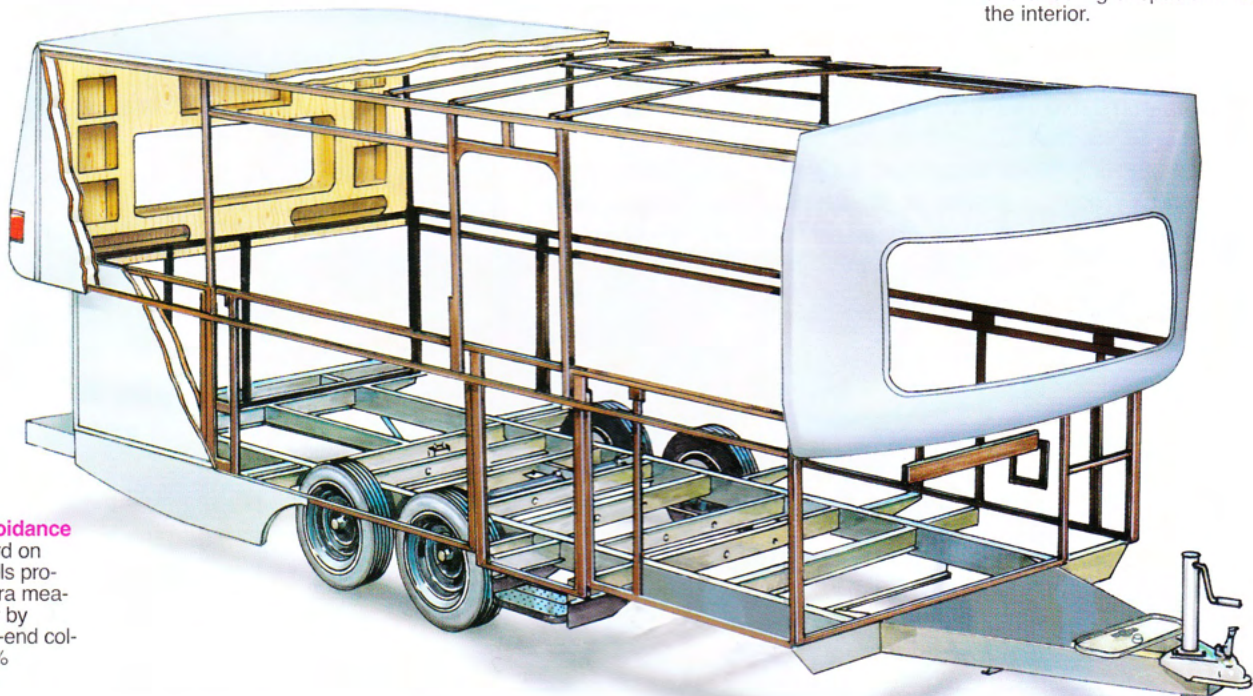

Super Durable Fully Laminated Construction

Hi-Lo construction is a laminated sandwich of durable roof and fiberglass side walls, both with backer board, polystyrene foam, aluminum tubing and plywood interior paneling.

Aerodynamic Design

Hi-Lo Classic's molded fiberglass front design, gives a better air flow, setting the pace for the future.

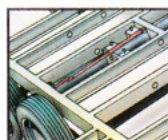

Ultra Modern Windshield in all Classic models gives a beautiful panoramic view of the outside and a feeling of spaciousness to the interior.

Collision Avoidance Light standard on Classic models provides that extra measure of safety by reducing rear-end collisions by 22% (NHTSA).

Rubber Suspension System and designer sport wheels and tires add an extra measure of beauty, stability, and ride comfort to each Hi-Lo trailer making it the **BEST** and safest towing travel trailer.

Heavy Duty Hydraulic Cylinder capable of developing over 17,000 lbs of force.

The optional detachable tongue shortens the overall length by 2', making more models garagable.

Battery storage leaves room for an optional second battery.
