

2002 JAY FLIGHT™ TRAVEL TRAILERS & 5TH WHEELS BY JAYCO

YOU'RE IN JAYCO COUNTRY

BY **Jayco**

WELCOME HOME

**1.** The tough aluminum exterior will keep looking great through years of travel. **2.** The kitchen is loaded with features to make home seem closer, such as a flush-mounted double-door refrigerator, three-burner rangetop with 9,000-BTU Superburner, piezo igniter and oven and Samsung® microwave with turntable. **3.** Dinette slideouts (some models) give you more room to relax or to entertain guests. **4.** The front window (travel trailers) features a stoneguard to protect it from road debris during your travels.

## *2002 Jay Flight™ Travel Trailers & Fifth Wheels*

Own a value-built, no-frills travel trailer or fifth wheel loaded with everything you need and nothing you don't. Jay Flight™ recreational vehicles provide fun that is easy to afford.

They also provide beauty that is easy to afford. In the kitchen, enjoy our new, lighter-colored **Fairfield Oak doors and drawers** that lend the look of home. So do features such as the **color-coordinated countertops** and **residential-style mixing faucet** and **stainless steel sink**. And you don't have to pay a lot to get a lot of room with a **dining room slideout** (some models). In the living room, attractive **valances and mini blinds** combine with elegant **brass lighting** and **coordinated fabrics throughout** to bring a soft touch wherever you go. Along with beauty, Jay Flight entertains you with a **TV antenna with signal booster**, **cable TV hookup** and optional **AM/FM stereo with CD player**.

On the outside, Jay Flight provides durability that is also easy to afford. A **front window with stoneguard** (travel trailers), **Polyflex™ underbelly** and **TPO roof guards** against the road and the elements.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW.

\*The addition of options will decrease the CCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions

or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. **When you tow an RV, you must drive differently than you do when driving a single vehicle.** Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. Jayco affixes a weight label to each new RV which lists weight information for that vehicle.

## Jayco delivers responsive, reliable after-market customer service

When you purchase a Jayco Recreational Vehicle, you'll also get a support staff dedicated to meeting the needs of you and your dealer. To deliver on this promise, we built a 91,000-square-foot, state-of-the-art facility that seamlessly integrates our Warranty, Customer Service and Jay Parr parts divisions (After Market Services — AMS). Staff from each division can now work more closely together to better provide prompt, accurate service.

For example, the AMS staff can quickly access information on the computer so service representatives can better serve the needs of Jayco dealers and retail customers. Our service area contains 15 bays that feed into a spacious work area for customers who need

assistance during their travels through Indiana.

The Parts and Warranty divisions take advantage of our Jayco Xpress online computer network that links Jayco Customer Service to dealers across the country and allows them to place parts orders, check the status

of an order and check pricing and availability. Dealers participating in the online system can also register new Jayco owners 24 hours a day, seven days a week. That way, when you pull off the dealer's lot, your new unit is already registered with the factory.

Our parts warehouse, equipped with automated carousels and stocked with a large inventory of parts, can provide our dealers with the parts you need so you can get

back on the road to enjoying your vacation.

You won't find a more caring after-market service group in the recreational vehicle industry. That's our goal and commitment to you.

YOU'RE IN JAYCO COUNTRY
