SPREAD OUT. ENJOY YOUR VACATION.

Relaxing by yourself or with the whole family is a breeze in a Salem park trailer. All of our floorplans come standard with a solid oak slide-out fascia, and most models feature an industry leading 19 foot slide-out which means more room for games, meals, or anything else you can think of. Standard 84" interior height on all Salem park trailer models allow for optional living room or bedroom ceiling fans. Optional glider recliners and free standing dinette (shown above) increase the flexibility of our layouts. It's no wonder we're one of America's best selling RV brands.

TRAVEL IN STYLE. THAT'S WHAT WE HAD IN MIND WHEN WE DEVELOPED THE *Salem* TRAVEL TRAILERS AND FIFTH WHEELS.

An optional glass shower door adds the finishing touch to this comfortable and functional Salem bathroom.

Salem^{LE} GARAGE MODELS

The new Salem LE garage units feature an ABS tub with drain, spray hose and nozzle, four adjustable and removable storage shelves, and over 100 cubic feet of additional storage. Standard hanging racks for a hose and ladder will make this the most functional garage unit available.

A standard 110v rear fridge is perfect for additional cold storage or for grabbing a cold drink or a snack without entering the trailer. Standard on all Salem LE garage models.
