## CHAMPAGNE

It is a celebration here at Cedar Creek as we unveil our new Cedar Creek Champagne. We are introducing this new line with our new 38EL floorplan. This floorplan features a large “his and hers” bathroom, a great kitchen layout with a maximum storage pantry and wine cooler, a luxurious bedroom with a Serta Bellagio King mattress and HUGE closet and our most desired living room set up with La-Z-Boy power theater seating across from a 60” LED Samsung Smart TV and an 80” La-Z-Boy hide a bed sofa in the rear. Can’t get much better than that! Our new exterior package features a two toned front cap with a full clear coat and a new graphics package to deliver a full body paint look. We hope you love this as much as we do. **Cheers!**
